January 30, 2024

Dear Union President:

NYSUT Retiree Council #13 represents retired NYSUT members in the Mid-Hudson Region. As retirees, we continue to support the active teachers and professional support staff working in the classroom.

With this in mind, a grant was developed in 2015 to support professionals working to enhance the educational process for their students. Grants will be awarded in an amount not to exceed \$500.00. Grant requests for the 2024-2025 school year should be submitted no later than May 30, 2024.

We are requesting your assistance in making the attached Grant Application available to the professional staff in your district.

NYSUT Retiree Council #13 is proud to announce the development of our own website. A link for the Professional Grant Application for 2024 can be found at <http://retireecouncil13.com>.

We are asking the applicant to have you sign their Grant Application upon its completion before mailing it back to us at: NYSUT Retiree Council #13 Professional Grant Committee, Mid-Hudson Regional Office, 201 Stockade Drive, Kingston, NY 12401.

Thank you for your support and cooperation.

Very truly yours,

Susan Eagan,

Chairperson Professional Grant Application Committee

cc Superintendent of Schools
