LIVING BENEFITS FOR LONG-TERM CARE

You could require long-term care services at any point in your life, which could cost hundreds of dollars per day. This universal life insurance program includes a convalescent care benefit that can help pay for these services at any age. Policyholders with a qualifying claim can collect up to 4% of their universal life death benefit per month for up to 25 months -- helping to cover the cost of long-term care services such as an in-home health aide, assisted living facility, or nursing home care.

LIFE INSURANCE

Protecting your loved ones is one of life's greatest responsibilities. Along with the grief that comes with losing a family member, survivors may suddenly be faced with costly expenses, debts, and a loss of income. Your death benefit can be used to help pay these expenses or for other items such as tuition or savings.
