

Join us for a Private tour of Mills Mansion!

Our group will tour more than 15 opulent rooms in the Mills Mansion, decorated in all its Gilded Age glory for the holiday season.

A docent in each room will tell visitors about the lives of the most privileged Americans and the working people they employed to make Staatsburgh the elegant country estate it was.

Tours conclude with historic exhibit rooms and the award-winning gift shop.

*Note: this tour encompasses two levels; accommodations can be made but advance notice is required for those unable to use stairs.*
